

An Easy and Affordable Way To Keep Your Exotic Pet Healthy

The Exotic Pet WellCare Program allows you to budget for routine veterinary care that maintains **optimal health** for your pet.

Low Monthly Payments

Full service routine care from as little as \$25.95/month.

Easy to Budget

Spread your routine veterinary care costs over the year with automatic payment by credit card on the first of each month.

Major Medical Insurance Also Available

WellCare is meant as a wellness budget plan and does not cover additional diagnostics, therapies, medications or emergency service other than those listed.

For those items, we recommend a Illness Insurance Program such as VPI.

Others Talk About Excellence. We Demonstrate It!

Our Hospital

Weare Animal Hospital is accredited by the American Animal Hospital Association (AAHA) at the highest level since 1998. AAHA inspects the Hospital every 3 years to make sure we surpass their rigorous requirements in terms of medical care, staff training, and facility.

In addition, Dr. Mike Dutton is a member of:

Association of Exotic Mammal Veterinarians

Association of Avian Veterinarians

Association of Reptile and Amphibian Veterinarians

Our Staff

A majority of our technicians are Certified Veterinary Technicians. They have successfully completed extensive education or experience requirements, and have passed a rigorous National Test. To maintain their certification, they successfully complete annual continuing education.

WellCare does not pay for emergency services, further diagnostics, treatments or medications. We recommend purchasing pet insurance for that coverage.

A 12 month minimum sign-up is required. The program cannot be cancelled before 12 months or transferred to another pet.

This Program can only be used at the Exotic and Bird Clinic of NH/Weare Animal Hospital. It does not cover any services performed elsewhere.
