

Readily Available Supplies at Local Pet Stores

Information for the Pet Bird Owner

When you go into a Pet Store, there are numerous aisles overflowing with bird foods and supplements. Unfortunately, most of these items are not appropriate for your bird. We looked into some local pet stores that carried bird foods and here's our report.

'No' List

Kaytee Blends
Kaytee perfect Choice
Kaytee's Fiesta
8 in 1 Pro's bars and sticks (honey, jungle, berry)
Golden Sunburst Millet
Vitaflight's vitamins
Ornacyn Plus
Ornabac
Ornacycline
Mostly or all seed diets – various manufacturers

'Yes' List

Cuttle bones and minerals treats – various manufacturers
LaFeber's Nutriberries
Kaytee – Kitchen creations
8 in 1 Pro's Ultracare pelleted feed

It can be difficult to easily get a good quality diet. For pellet diets we recommend:

LaFeber (can be ordered at this Hospital or online at <http://www.lafeber.com>)

ZuPreem (can be ordered at this Hospital).

Harrison (can be ordered here at this Hospital or online at <http://www.harrisonsbirdfoods.com>)

Exotic and Bird Clinic of New Hampshire
